

## Project Blueprint Application

### *A Blueprint for Diversity in Volunteer Leadership*

*Project Blueprint is a collaboration between the United Way of Erie County and The Nonprofit Partnership to develop a diverse set of leaders who will bring their talents to enrich and enhance the work of nonprofit Boards throughout Erie. Through this 9 month project, participants will work with 20 of their peers to learn about the civic structure that supports nonprofit work and our quality of life in Erie. Participants will learn about the responsibilities of nonprofit Boards and will sharpen their own skills and interests through Project Blueprint's learning activities and service projects so that their membership on a local Board will be a rewarding experience.*
